TWELFTH SUNDAY IN ORDINARY TIME

First Reading: *Job 38:1,8-11.* The Lord answers Job's complaints.

Responsorial Psalm: *Psalm 107:23-24,25-26,28-29,30-31.* A song of praise to God for rescue.

Second Reading: *2 Corinthians 5:14-17.* Those in Christ are a new creation.

Gospel Reading: *Mark 4:35-41.* Jesus calms the storm.

Reflecting on God's Word:

In today's Gospel, Mark says that the invitation to journey to a new and different shore comes from Jesus. He is the one who suggests, "Let us cross to the other side" (Mark 4:35). Yet that invitation comes as evening draws on, as so often happens in life. It comes amid the shadows of life where clarity of action is seldom sharp or distinct. Then to step into the boat is indeed an act of faith. Who would ever choose a crossing at such a time? Yet it was "as evening drew on" that Jesus said to his disciples, "Let us cross to the other side." And so they go.

It is at this point that they take Jesus into their boat, which is always what is expected of the disciple—that the Lord be invited on the journey, and that the journey to the other side be made together. The Jesus story ends in calm and stillness, but that is not its promise. What is assured is that faith can bring one to the other side, which is also the assurance given to Job out of the storm—that it is God who made the thick darkness and put limits on the sea, all along knowing its ability to burst forth. It is God who knows creation and is in control, it is Jesus who knows the human journey and accompanies us, and it is faith that sustains us in the midst of storms.

Happy "Father's Day" To All Fathers

To be a human **Father** is a privilege that carries with it not only the obligation of providing for the material needs of a family, but also the serious responsibility of educating children in Faith, especially by good example. Today we need fathers who are not ashamed of their Faith—fathers who see to it that their children receive religious instructions—fathers who lead their families in prayer at home—fathers who come with their children to the Sacrament of Penance and Holy Communion. Today **we congratulate all fathers** in our parish and pray that they be not only good natural fathers, but spiritual fathers as well. And we remember in our prayers today **all** fathers, those who are with us, as well as those already called by God to their eternal reward and everlasting embrace by our Father in Heaven.

Priests are also addressed as "**Father**" because in the work of Christ, they have the responsibility of being "**Spiritual Fathers**" to those they serve. **So please whisper a prayer for all Priests today as well. And continue to pray for priestly and religious vocations. —"Happy Father's Day," Father Grosko!**

We are in need of prize donations of dolls, trucks and cars for the Dolls/Wheels Booth. Your donation of new items and wine and liquor for the auction baskets would be very much appreciated! Also, we will have a festival bake sale again this year (one of the most popular items in the festival) so start thinking about what delicious confections you can make to help boost sales. THANK YOU!!!

A PRAYER FOR FATHERS

*God our Father, we give you
thanks and praise
For fathers young and old.*

We pray for young fathers, newly embracing their vocations; May they find the courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for our own fathers who have supported and challenged us; May they continue to lead in strong and gentle ways.

We remember fathers around the world whose children are lost or suffering; May they know that the God of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor and guide us with fatherly love and advice.

We remember fathers, grandfathers, and great-grandfathers who are no longer with us but who live forever in our memory and nourish us with their love.

Amen

PRO LIFE CORNER: If bringing children into the world is today an economic burden, it is because the social system is inadequate, and not because God's law is wrong. Therefore the State should remove the causes of that burden. The human must not be limited and controlled to fit the economic, but the economic must be expanded to fit the human.

—Fulton J. Sheen
